

INCOTERMS 2010 ANY MODE OF TRANSPORT

EXW (insert named place of delivery) Incoterms® 2010

EXW	The only responsibility of the seller is to place the goods at the disposal of the buyer at the seller's premises or at the named place. The buyer bears all costs, is responsible for all risks and insurance. It's the term with the minimum obligation for the seller (opposite of DDP).

		Destination terminal charges	
		Import Customs Clearance	
		Destination Inland/Ground transport	
		Unloading	

Free carrier (insert named place of delivery) Incoterms® 2010

FCA	The buyer decides the main transport and pays for it. The seller must deliver the goods cleared for export to the designated location as agreed. If there is no agreed location, the seller decides the place of delivery. The transfer of the risks, charges and damages occur when the carrier takes over the goods.

INCOTERMS 2010 MARITIME
**Free alongside ship
 (insert named port of shipment) Incoterms® 2010**

FAS	The incoterm FAS means that the seller is no more responsible as soon as the goods are being placed alongside the vessel. It also means that the buyer takes over all charges and risks of loss and damages from that moment. The incoterm FAS implies that the seller do the export custom clearance. The incoterm FAS should not be used if the goods are being shipped in a container.
